

Air Pollution Control Technology Memorandums

MEMORANDUM

TO: Developers and Vendors of Air Pollution Control Technology

FROM: Jenni M. Elion, Environmental Technology Verification (ETV) Air Pollution Control Technology Program

SUBJECT: Stakeholders Advisory Committee Meeting

DATE: April 22, 1998

There will be a meeting May 20, 1998, of the Stakeholders Advisory Committee (SAC) for the Environmental Technology Verification (ETV) Pilot Program in Air Pollution Control Technology (APCT). The meeting will be at the US EPA's Environmental Research Center's Auditorium, 86 T. W. Alexander Drive, Research Triangle Park, NC. The meeting will start at 8:30AM and end at approximately 4:00 PM. The meeting is open to the public. Meeting topics will include a status report on the first technology selected for verification testing, Paint Overspray Arrestors, and a discussion on the second group of technologies to be selected for testing. So that we may properly gage space needs, please contact Jenni Elion, Research Triangle Institute, by fax at 919-541-6936 or by e-mail at jme@rti.org, if you plan to attend.

Additional information on EPA's Environmental Technology Verification Program is available at <http://www.epa.gov/etv/>. Additional information on the Air Pollution Control Technology Pilot Program is available at <http://etv.rti.org/apct/index.html>. Information on travel, including directions and a list of local hotels, is on the web at <http://etv.rti.org/apct/travel.html>.

Please contact Jenni at 919-541-6253 if you have any other questions or if you wish to be removed the distribution list for information on the APCT ETV program. To receive further information via e-mail, please send an e-mail to jme@rti.org.
